

ABOUT US

OBCA's goal is to educate students for life at its fullest as followers of Christ, encouraging them to think deeply and broadly, and equipping them to make biblically based decisions in the midst of a rapidly changing culture.

We believe that Christian schooling is not a refuge from, but rather a necessity for our students in a profoundly changing world.

We also believe that Christian schooling offers one of the greatest resources within which we can nurture the spiritual formation and intellectual development of young men and women.

At OBCA, our emphasis is on the whole child; mind, heart, body, and soul.
